Description

The machine made crystal Magma Vase features flowing lines and rock-solid foundations melding together to create a dramatic, yet functional design. The subtle creases are strategically placed to accentuate the beauty of the crystal via refraction, and make an overall balanced collection. \*No lead content; Made in Czech Republic using state-of-the-art, ecologically clean glass "œCrystalite"•. Safe to use for consumption. \*Minor air bubbles may be apparent and are expected with molten crystal products
