Description

This Optional Piano Finish Black Wood Display base has a soft velvet top making it ideal for displaying crystal and glass vases. This black wood base is not engraveable and is intended for display purposes. * When selecting your optional base, we recommend sizing up for the top felt diameter. Due to the nature of mouth-blown manufactured crystal, the base sizes of some of our crystal pieces may vary slightly. To ensure a proper fit, please select the base whose top felt diameter is the next size up from the base size of your crystal piece (rather than smaller or exact fit).
